# "CRIMSON KING" MAPLE

Include patented **Crimson King** Maple on your list in 1957. It's the only Maple which retains its dark crimson color throughout the spring, summer, and fall, creating an exciting and continuous color contrast to lawns and shrubs. Be sure you get the original **Crimson King**, it is easily recognized by the dark, glistening, satiny sheen of its lovely foliage—insist on **Crimson King**.

Place your order early, either with the Patent Owner, **GULF STREAM PRODUCTS, INC.**, Wachapreague, Va.

or with the following Licensees:

A. McGill & Son	Fairview, Oregon
Mt. Arbor Nurseries	Shenandoah, Iowa
Jackson & Perkins Co.	Newark, N. Y.
Milton Nurseries	Milton, Oregon
Princeton Nurseries	Princeton, N. J.

Order your supply  
NOW to assure  
spring 1957 delivery  
. . . and remember

IT'S NOT THE GENUINE  
CRIMSON KING MAPLE  
UNLESS ACCOMPANIED  
WITH THIS TAG.

**TAMARIX, PINK CASCADE**, Plant Pat. No. 1275

**CRIMSON KING MAPLE**, Plant Pat. No. 735

## TAMARIX, PINK CASCADE

This charming newcomer from England has been on trial at our Nursery for several years. **Pink Cascade** is a very valuable shrub because it produces masses of cascading panicles of flesh-pink flowers in late summer when very few shrubs are in bloom. Handsome, rich, blue-green foliage. Excellent for seashore planting. 18-24 inches, 2-3 ft.

## Forsythia, Beatrix Farrand

A spectacular new Forsythia originated at the Arnold Arboretum by Dr. Karl Sax and named in honor of Mrs. Beatrice Farrand, famous landscape architect. It is an extremely vigorous grower, making a large symmetrical bush. The deep, golden yellow flowers are over 2 inches in diameter and have striking orange markings in the throat. **Beatrix Farrand** is a hybrid between Arnold Giant, a tetraploid variety, and a diploid species. 18-24 inches, 2-3 ft., and 3-4 ft.

**HYPERICUM, Hidcote.** A compact, twiggy shrub covered throughout the summer with bright yellow, cup-like flowers. In cold winters it may freeze back to the ground, but will spring up again from the base and produce masses of flowers. 2-year-old.

**FORSYTHIA, Lynwood Gold.** A deep gold-flowered Forsythia. Profuse bloomer with large, individual flowers. Will replace all other deep yellow varieties. 18-24 in., 2-3 ft., 3-4 ft., and 4-5 ft.
